NEW HARTFORD

## foreword

We, the class of 1959, have now completed our four years of high school. Thus, we present our yearbook with the theme "The Roaring Twenties" to show we have reached our destination, as did people reach theirs in those wild, hectic years gone by. With the help of the Board of Education, the Administration, the Faculty and our friends, we have received a good high school education and are now prepared to go on to bigger things, as did our parents in the '20's. Exactly what is coming in the future, no one knows, but we all know that we, as graduates of New Hartford Central School, are prepared to meet whatever is in store for us.

We'll do our best for thy success  
And always stand for you.

## contents

MRS. ELIZABETH H. FITZGERALD

With deepest gratitude for many devoted years in the service of teaching, we, the class of 1959 wish to dedicate our yearbook to Mrs. Elizabeth H. Fitzgerald.

In the forty-five years of teaching—all of them spent at New Hartford—Mrs. Fitzgerald has taught American History, Biology and French.

Her most familiar "post" is in Room 130, where she has had charge of numerous Senior Classes and has been a Senior Advisor for many years. Mrs. Fitzgerald will be remembered not only for her valuable teaching and guidance to all, but also through the Elizabeth H. Fitzgerald Chapter of the Future Teachers of America.

## congratulations on a job well done

The Class of 1959 affectionately remembers Mrs. Mary Thomas. This year marks the culmination of a long and profitable career.

We Seniors remember well the excellent instruction in General Science we received from Mrs. Thomas. New Hartford's Science Department won't be the same without her.

As a small token of our appreciation and gratitude for the work you have done, we would like to dedicate this, our yearbook, to you, Mrs. Thomas.

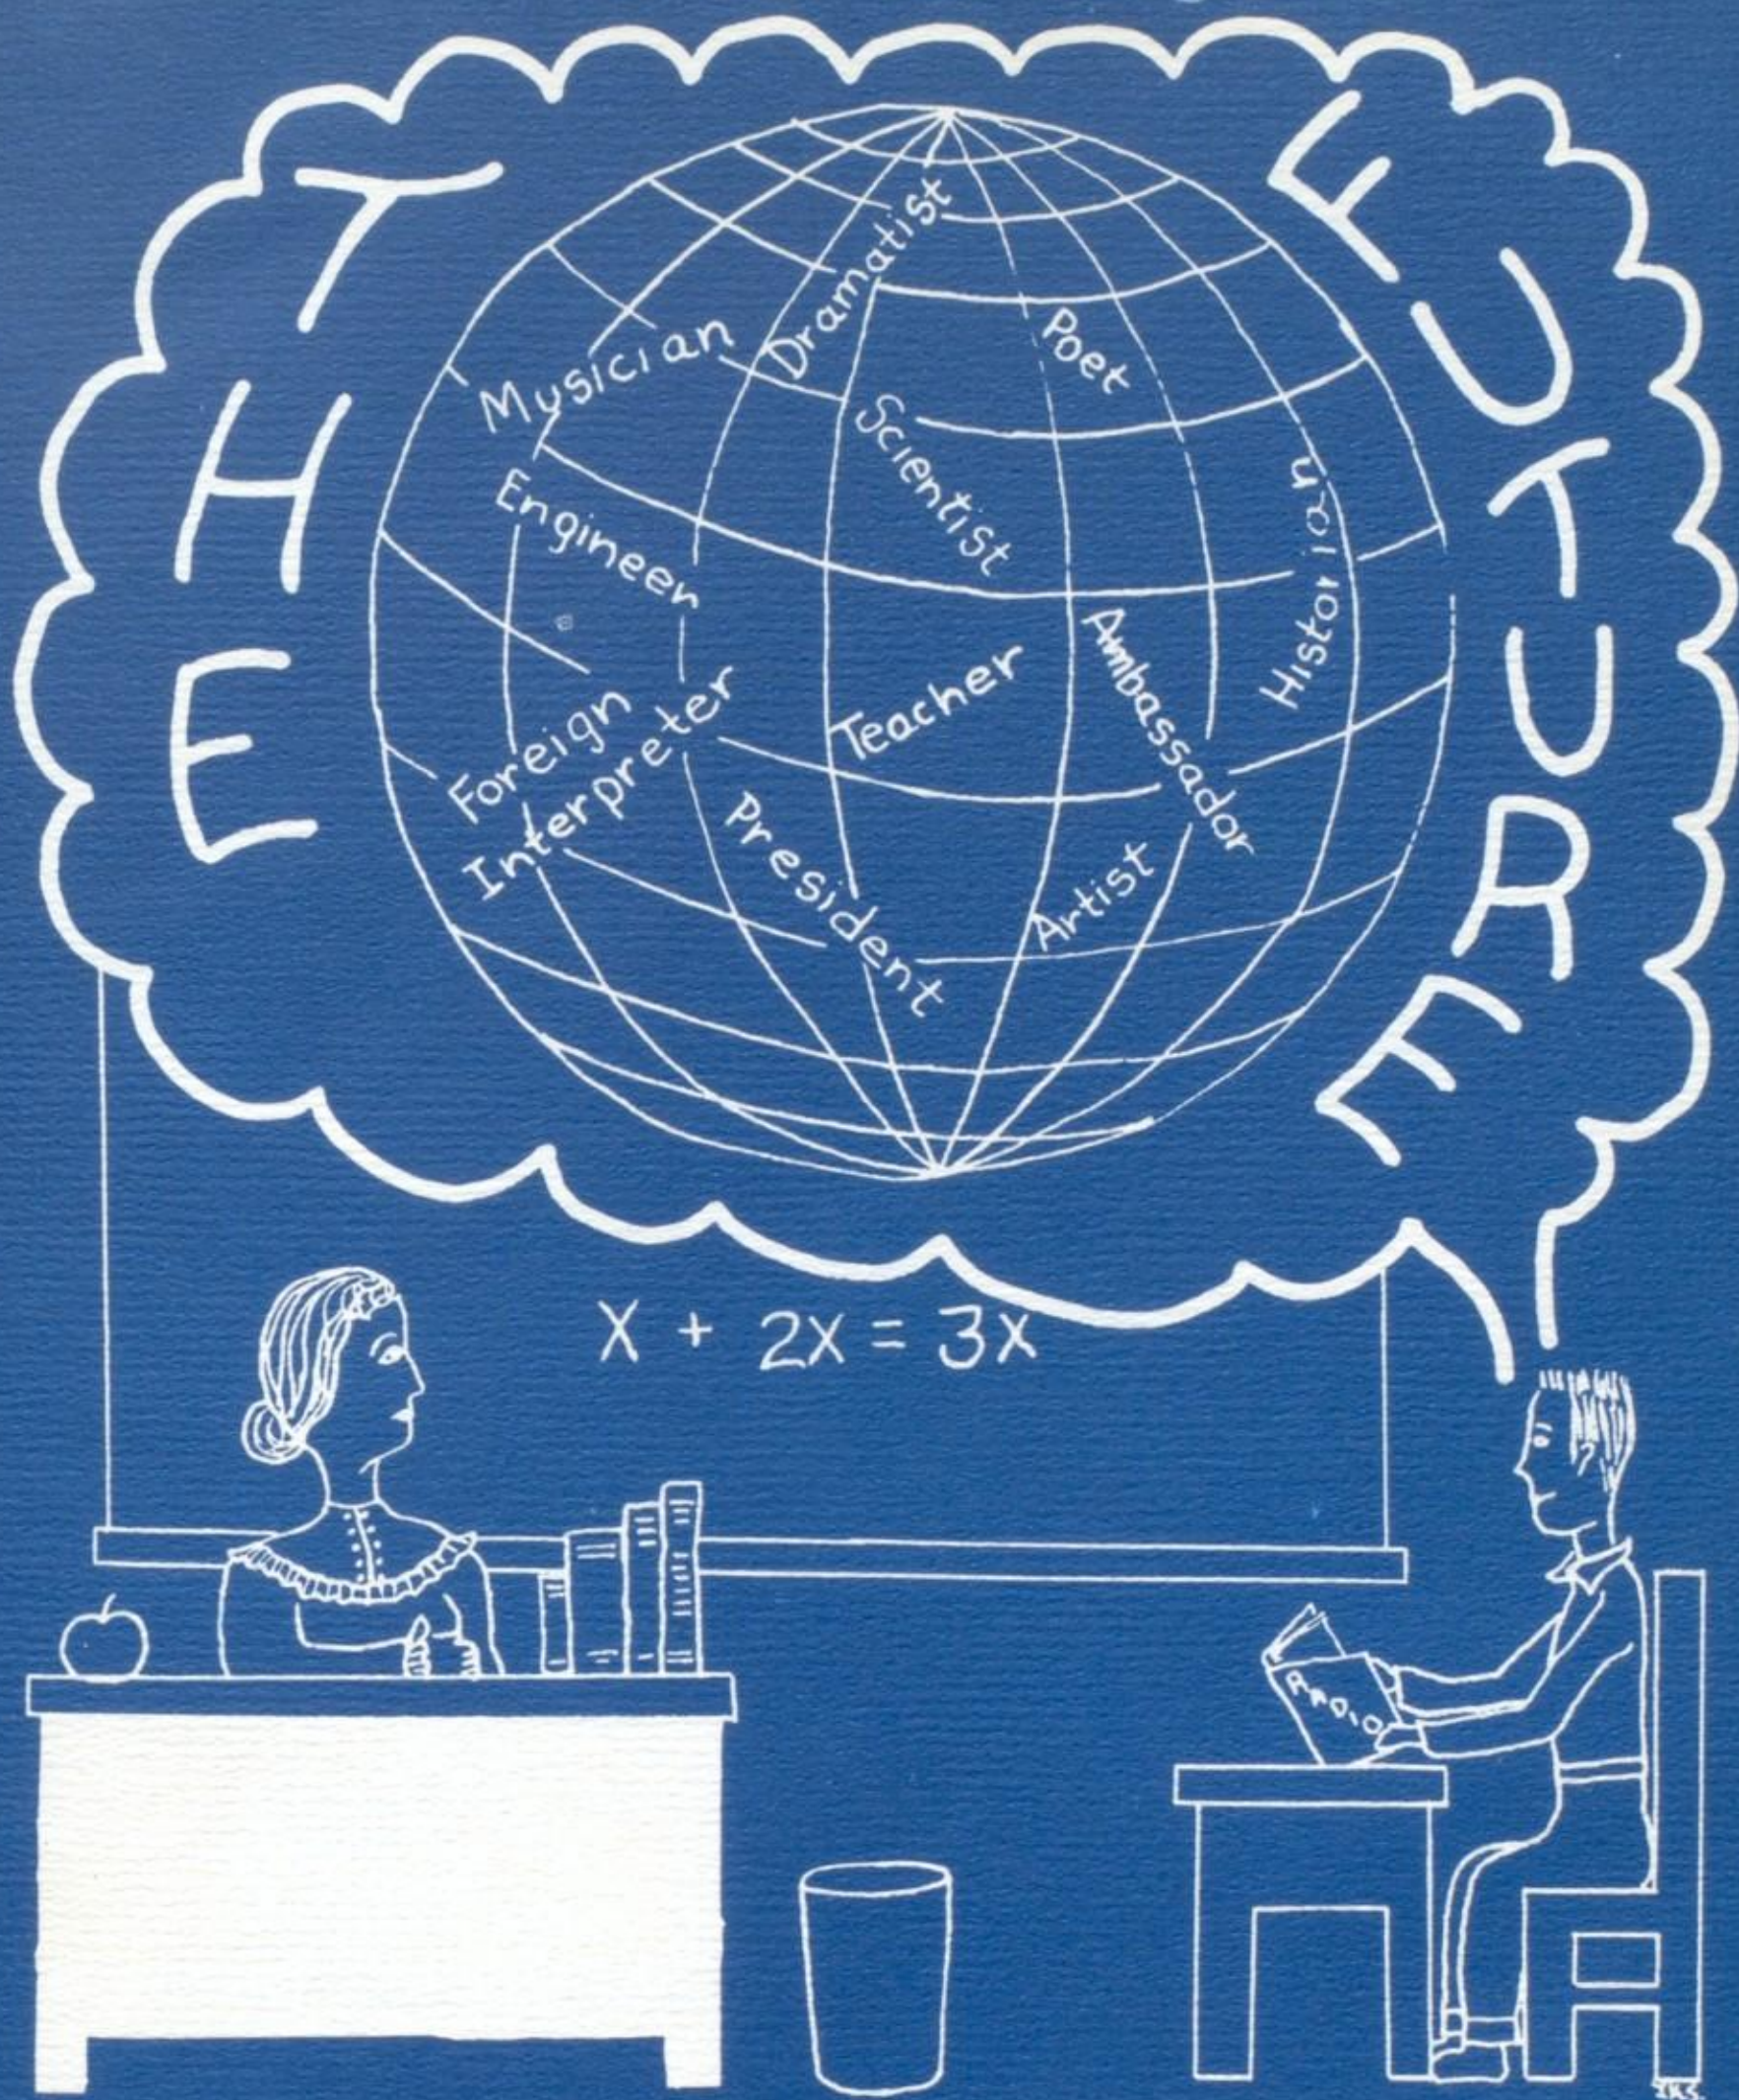

MISS MABEL PITKIN

MRS. MARY THOMAS

To Miss Mabel Pitkin, the Senior Class of 1959 affectionately dedicates this yearbook. As a member of the New Hartford faculty for many years, you have helped and guided countless students along the right path. Your teaching will never be forgotten. Your retirement will be a great loss to all of us, but we know you will remain always a true friend. May we humbly express our thanks to you and offer our best wishes for continued success and happiness in the future.

## board of education

These outstanding citizens of our community have worked untiringly and conscientiously to maintain the high standards and facilities of our school. Because of their efforts, the class of 1959 has witnessed many wide improvements. The building of the Clinton Road School, the additional floor in the high school building, the construction of our modern swimming pool, and the construction of the Higby Road School are but a few of the important projects our Board has undertaken. The unselfish and continuing effort of this important group has greatly benefited our school system and all those concerned with its educational interests.

## supervising principal

We, the class of 1959, salute you, Mr. Perry for your leadership and genuine interest in our class. The entire student body, along with the Seniors, offers its appreciation and thanks for your deep understanding and guidance. Your untiring effort to improve our school system has served as an inspiration to us throughout the past four years. Your love for fair play and keen competition shall remain with us forever. We look to you as a true SPARTAN.

MR. RALPH W. PERRY  
Supervising Principal

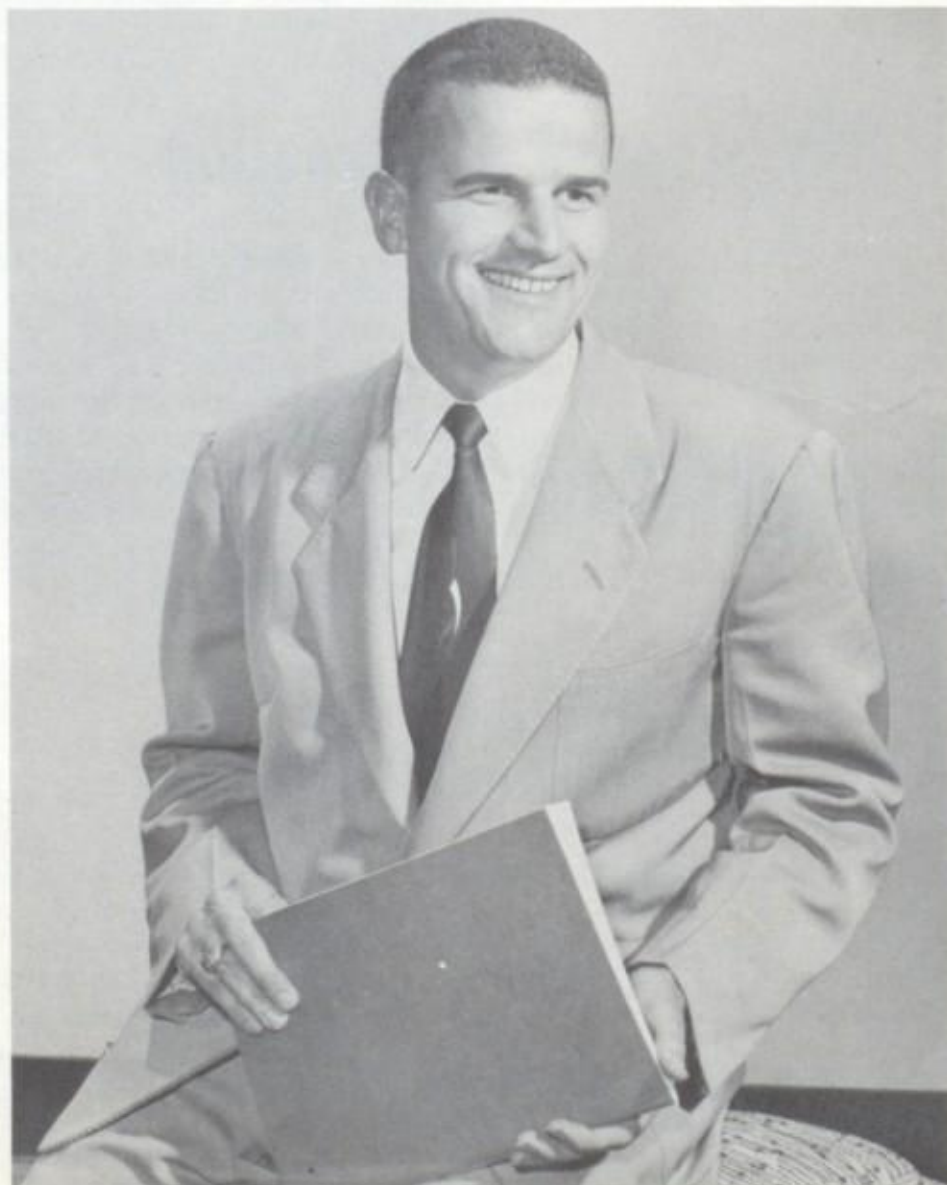

MR. JOHN JAMIESON

## principal

Mr. Jamieson has earned the appreciation of the Seniors for the effort he has spent in helping to make the memories of our school and our years here both happy and proud. His good judgment in school affairs has been an important factor in the efficient functioning and the excellent reputation of New Hartford. Because of his interest in the students, he has been a great help in guiding and preparing us for the future. For his help to all, sincere thanks go to Mr. Jamieson from the class of 1959.

## administrative assistant

We, the class of 1959, wish to congratulate Mr. Roswell Buckingham on having successfully completed his second year as Administrative Assistant of New Hartford Central School. We are all grateful for the personal attention he gives each one of us, and we appreciate his quick sense of humor. We would also like to commend him on the tremendous job he has done acting as advisor for student council this year. We are only sorry that we have had but two years to get to know Mr. Buckingham in his new position.

MR. ROSWELL BUCKINGHAM

MR. JAMES VAN SLYKE and MISS ELOISE DALY

## guidance counselors

In sincere appreciation for continued assistance and understanding received during four rewarding years at New Hartford, we the class of 1959 wish to express our deepest gratitude to our guidance counselors.

We extend our thanks to Miss Eloise Daly for her ready willingness to aid us with our difficulties. The prudent advice that she is so capable of giving, and her cheerfulness in doing so, will be remembered by all in years to come.

We desire also to pay tribute to Mr. James VanSlyke who has assisted us in the selection of our courses. His suggestions have aided us a great deal in preparing for our careers.

We have been very fortunate to have had available to us the direction of two such capable counselors who have adapted a program to our individual needs and interests, that each of us might make the best of our abilities through a well-planned high school program. We will take pride in crediting a portion of our success and achievements in the future to their invaluable guidance.

## "what a life!"

This year, on November 21-22, the Senior Class presented a Henry Aldrich story, "What A Life," by Clifford Goldsmith. The cast of 21, along with Mr. Alan Engelsman, director, very much enjoyed working on this comedy.

The play was taken from the original Henry Aldrich stories first heard on radio, and later seen on television.

Instead of putting on three performances as has been done in the past, the cast this year put on four performances. A Saturday matinee was held for the enjoyment of the young folks who might not otherwise see it.

Many thanks to the cast, those who worked backstage, and other various committees for such a fine play.

## honor society

Honor Society is an organization composed of Juniors and Seniors who have attained high scholastic averages. A student who has an average of 90% or better may be admitted either in the spring of the Junior Year, or during the Senior Year. A student must possess the qualities of leadership, character, and service as well as that of scholarship to become a member of National Honor Society.

Miss Bertha Buhl is the tireless faculty advisor who makes Honor Society such an active group.

## student council

One of the most important organizations in our school is the Student Council, which is the link between the student body and the administration. In the beginning of the year, the main event it sponsored, under its ambitious President, Ron DeBlois, was a pep rally before the Whitesboro football game. Many new ideas were introduced which gave the student body better representation. Printed minutes for each homeroom and a more democratic way of organizing dance dates was passed by the Student Council, under the helpful guidance of our new advisor, Mr. Roswell Buckingham.

## latin club

The different language clubs have added a note of interest and variety to the curriculum of New Hartford students. Latin Club, very successfully directed by Mrs. Patricia Jones and Mrs. Marian Rice, has endeavored to better acquaint its members with Roman civilization. The annual Roman Banquet, displaying a colorful array of togas and stolas, with Roman foods, was the highlight of the events.

School Affairs Club is an organization established for those particularly interested in the field of writing and journalism. The main purpose is to make known to the community the outstanding activities and events of our student body. As a member of the National Forensic League, the club has sent a debate team to New York, Albany, Syracuse, Norwich, and many other areas for tournament competition. The topic for debate for this year was: "Resolved that membership in a labor organization as a condition of employment should be illegal."

## math club

With twenty-one charter members, the New Hartford Chapter of Mu Alpha Theta received national recognition in the spring of 1958. In June, its first slate of officers was elected. These are Barbara Schorr - President; Preston Clark - Vice President; Guy Wilcox - Secretary-Treasurer.

Constitutional qualifications for membership in Math Club stress leadership, interest, and scholastic achievement. The Club's purpose is to foster interest and proficiency in mathematics among the student body. To accomplish this, weekly problems have been posted in homerooms.

The Club's advisors are Mrs. Edith Donahue, and Mrs. Gertrude Roraback.

Under the capable leadership of Mrs. Frances Scully, Art Club has concluded another busy year. A total of four Art clubs are in operation in the Senior and Junior High School. The Junior High Art Club has worked on three-dimensional designs and oil paintings. The Senior High Art Club has made a mural for the back wall of the art room. This mural includes pictures of outstanding buildings of Utica and New Hartford.

This year New Hartford's dramatics club, Masque, underwent drastic changes by adopting a new Constitution.

Mr. Alan Engelsman, the advisor, feels that these alterations will raise the caliber of Masque productions and give the member more satisfaction. Among other changes, parts in one-act plays produced by Masque were open to anyone interested in trying out.

As usual, Masque did a superb job in presenting its spring play; and the Seniors spent a wonderful week-end in New York City.

## future teachers of america

The Elizabeth H. Fitzgerald Chap-  
ter of the Future Teachers of Amer-  
ica has, as in previous years, had  
a successful and beneficial year for  
its members, under devoted guid-  
ance of Miss Bertha Buhl. Members  
had the opportunity to visit Oswego  
State Teachers College in the fall,  
and to observe in our own elementary  
school classrooms. Speakers from col-  
leges came to talk on their particular  
college, and teaching movies were  
shown at different meetings. The  
organization had a full year with its  
program designed to help members  
to decide whether or not teaching  
is the right profession for them.

Different people in this field of work  
were asked to speak before the  
group, telling of the nature of their  
work, and of their various experi-  
ences. Also, field trips and different  
projects were planned, through Mrs.  
Muriel McKinlock, Advisor.

The object of this organization is  
to acquaint its members more thor-  
oughly with the nursing profession  
and to encourage them to make this  
their life work.

## the band

Under the direction of Mr. Kenneth Fryer, the band has very much excelled in the last year. Students looking out on the football field last fall during fourth period, could see the band practicing for its halftime shows, put on for the enjoyment of the spectators and to support the team.

After football season, the band began many hours of rehearsals getting ready for a television show which was seen in December. The Christmas program then kept members busy. After Christmas vacation, work was quickly begun, to prepare for the annual concert, and the State Finals, in which many individual band members also competed.

New Hartford was also very honored to have five of the band members chosen for All-State Sectional Band, three for Orchestra and one member chosen for the Buffalo All-State Band.

Next in sight was the Spring Concert, and then, Graduation.

## a cappella choir

During the past year, under the expert direction of Miss Edna Mae Rawson, the New Hartford A Cappella Choir has enjoyed many moments in which it has enriched the hearts of people, by singing music which has brought happiness to all.

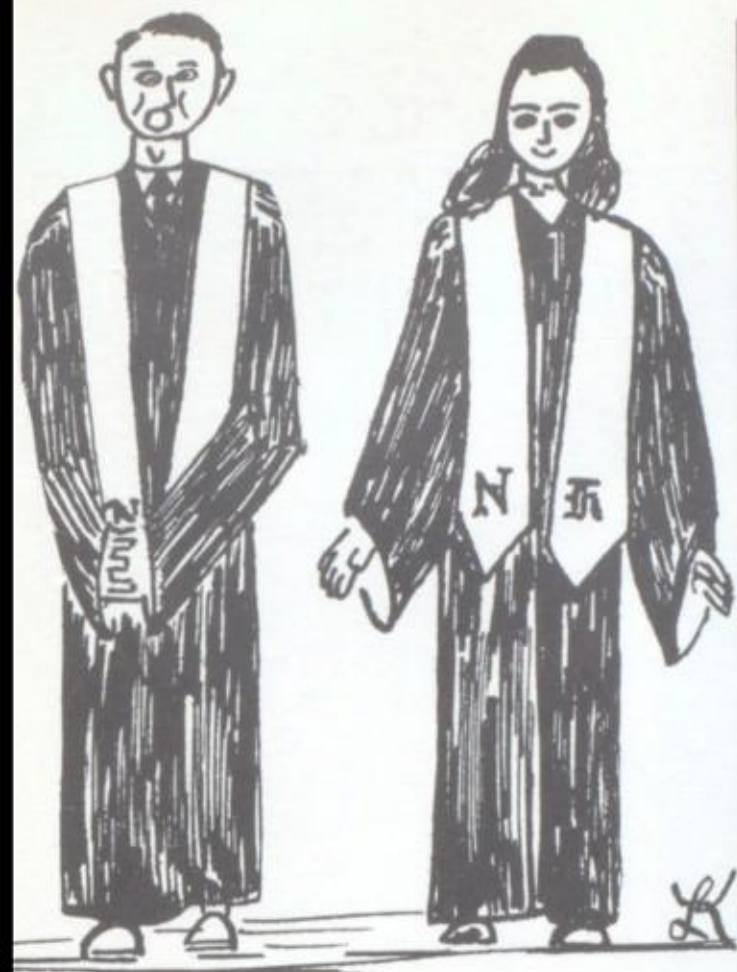

In competition, A Cappella has received many excellent ratings. It has gone from a rating of A in grade four to an A in the more difficult grade Six, in participation in the state music finals. Among the other events the choir appeared in during the past year were the Fred Schwender Memorial Program, a radio program on WIBX, and a Television program on WKTV. In order for the choir to achieve such high quality, the members must work hard at rehearsals. Helping Miss Rawson are the officers, who keep order and take attendance in choir.

Anne Jones, manager and Richie Mellen, co-manager, were selected as officers.

## choristers

The New Hartford Choristers is an enthusiastic and hard-working group which was formed two years ago. Under the direction of Miss Edna Mae Rawson, the choir has done a splendid job in spite of several handicaps, such as a lack of tenors.

The Sectional Music organization is composed of the better music students from schools in this area of the state. Students send their names in to a committee, which then selects the most promising candidates.

VARSITY CHEERLEADERS—Jones, Wenner, Wessing, Griffith, Kraeger.

## cheerleaders

Ably headed by captains Leslie Griffith and Karen Kranbuhl, this year's peppy cheerleaders were the real "push" behind the football and basketball teams.

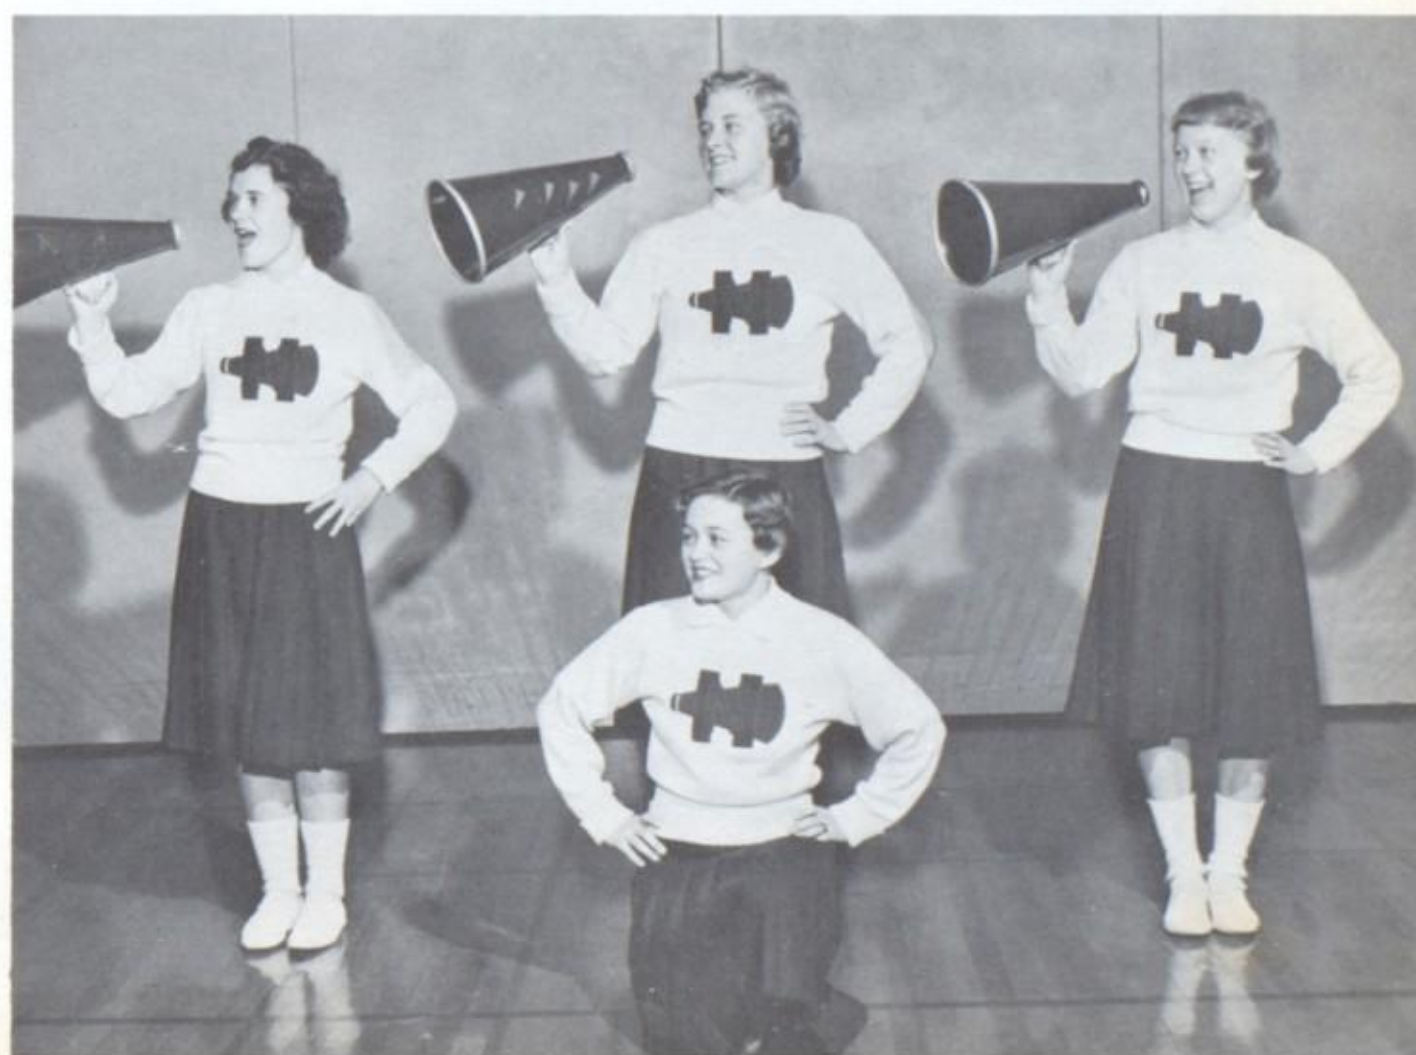

Varsity wore red skirts and white sweaters, while Junior Varsity chose the blue and white combination. To earn money for these uniforms, two dances were held, Spartan pens and

decals were sold, and refreshments were sold at a Spring track meet.

These ambitious girls worked hard in cheering the team on at games and in promoting general all-around support of their Spartans.

## fifty-eight football

The 1958 New Hartford Spartans, under the capable coaching of Mr. David Auxter and Mr. Robert Emerson, compiled a 4-4 record on the gridiron. In the season opener, the Spartans scored an impressive victory over the powerful Utica Free Academy eleven, 20-0. Then, as injuries began to pile up, the weakened team took a loss at the hands of the Romans. As the season progressed and injuries increased, the Spartan gridgers fought a see-saw battle; beating Herkimer, losing to Oneonta, emerging victorious over Whitesboro and suffering setbacks from Ilion and Proctor. In the final game, the New Hartford club trounced the previously undefeated Oneida Indians, 40-19, in a close battle until the last quarter.

## swimming team

This years swimming team, coached by Mr. Foster, notched a perfect record of fifteen wins and no losses. They held the title of Central-Oneida League Champions, Section III Champions, and the mythical champions of Upstate New York. The team, made up of all under-classmen, was led by state record holder Doug Morris (Butterfly—60.8 seconds) and Doug Wiley, team captain. Other team members to participate in record breaking were Bill Keiser, Ned Stanton, Charles Drake, Bill Davis, John Quinn, John Storm and Tom Scala. The highlight of the season was the hard-fought victory over Bethlehem Central, avenging their last years loss to this team.

For the 1958-1959 season, the varsity volleyball team was coached by Mr. Simonsen. The squad gained experience from three lettermen who returned from last year. Maintaining the strength of the team was a large number of candidates eager for one of the six starting positions. Playing a schedule which included Rome, Proctor and Whitesboro, the New Hartford boys fought extremely hard in contention for the Central-Oneida League title.

## volleyball

Facing the 1958 season with an optimistic outlook, Mr. Simonsen's 22 milers were paced by Jim Whidden, Bob Crane, Bill Roberts, Dave Mears and Ed Virkler.

The team tied Norwich, placed seventh in a field of nine squads at Cobleskill, and did well in seven other meets.

Returning lettermen were juniors Richy Mellen, Charley Platt, Bill White, and sophomores Phil Billington and Sam White. Coach Foster stated that Billington and White molded their teamwork into a crack doubles unit. The team competed against such opponents as Norwich, Lowville, Whitesboro, and Rome.

Rear Row: Kroll, Hjerpe, McKinlock, Mr. Frani - Coach, First Row: Ritzel, Garber, Kinne.

## golf team

Without including this year, the golf team has amassed an unbelievable record. It has never been defeated in regular play since its origin six years ago, and it has an undefeated string of fifty-five victories. Last year the team captured the Section Three and Intersectional championships. Under the able leadership of Mr. Louis Frani, the team this year will again try to maintain its undefeated record and secure the Section Three and Intersectional championships for New Hartford.

## drill team

One of New Hartford's most active and colorful organizations is the Drill Team, formed by Mrs. Slack, and now under the guidance of Miss Barbara Jensen. It performs during the half of football games, and then several appearances are made at basketball games. The team has set out to complete a busy schedule this year, and an even busier one in the future.

Under the direction of Miss Barbara Jensen, the Spartanettes had very successful seasons in archery, basketball, volleyball, and field hockey, both intramurally and interscholastically. The girls were not only busy practicing the techniques of play, but they also learned new rules and regulations of play. We hope that the Spartanettes will continue to be successful in the years to come. Good luck girls!

## junior high sports

Coached by Mr. Ed Masel and Mr. Roscoe Baker, the New Hartford Freshman Football Team annexed the Central-Oneida League crown with a 6 and 0 record. The brunt of the Spartan's offense was carried by halfbacks Jerry Guskie and George Watkins, aided by the fullback smashes of Mike Wall and the passing of Junior Cully.

Due to the absence of height, Coach Bob Emerson attempted to instill speed and ball-handling into his Freshman Basketball squad. The Spartans were confident of a successful season because of their desire and hustle. The leading players were Mike Patterson, Dave Mustee, Don Horvath, Bert Lockwood, Junior Cully and Tom Young.

Dolphinettes, the Junior swim club of New Hartford, is open to anyone interested in extra-curricular swim activities. Under the guidance of Miss Barbara Jensen, these girls worked hard to master the fundamentals of synchronized swimming and, at the same time, get a great deal of enjoyment from their meetings.
